## LET IT POUR

With our recent brewery expansion we have enough production capacity to sell kegs of your favorite Falling Sky beers directly to you! Wanna know how? Read on intrepid beer drinker.

First things first email our sales team at [sales@fallingskybrewing.com](mailto:sales@fallingskybrewing.com) to see what beers are currently available and how much they will cost. Email us your order.

On the day of your pickup come by Falling Sky Pub, 1334 Oak Alley, you will need to fill out some paperwork and to pay for the keg and the \$30 keg deposit \$30 refundable upon return of the keg.

Need a way to tap the beer? Then head around the corner to our Homebrew Shop, 1331 Willamette St. We rent the base air pump tap (\$10 Rental Fee with a \$50 deposit, refundable upon return) if you will be finishing the keg in an evening, and a portable CO2 tap setup (\$10 Rental Fee with a \$100 deposit, refundable upon return) which is perfect if you are going to drink through it over a few days. The shop folks can explain all of the ins and outs.

## CORNY FILLS

Send your email to [sales@fallingskybrewing.com](mailto:sales@fallingskybrewing.com) and get on the corny list.

We send an email out on Monday to the corny list with the 2 or three beers that will be available for fills that week.

Bring your sanitized corny keg to our Pub, 1334 Oak Alley, by Wednesday at 5pm, and then can come get it Friday after 2pm. Once you pick it up you can LET IT POUR!
